Nepal

*Developing effective School Leaders to
create an enabling environment for
global learning*

Professional Partnership

Nepal- UK Partnership Strategic objective:

British Council Nepal aims to provide mutual benefit to the schools that are keen to maintain sustainable partnership. Nepal's partnership theme is focused on Developing effective School Leaders to create an enabling environment for global learning.

Why Partner with Nepal ?

Positive attitude to
learn from UK
schools.

Support from
British Council
Nepal in every step

Secure to travel
anywhere around
the country

Rich cultural heritages, arts, music, food and diversity. Based on which multiple projects works can be created between both schools.

Similarities and differences in education system in Nepal and UK, learn subsequent best practises.

Religious inclusivity and diversity in Nepal which makes travelling safe and provides mutual learning opportunities

Hospitality Hospitality and Hospitality

What's
required
to do with
your
partner
school?
